DOC 010A Engineering Change.

www.icontrol.net.au

Presstek engineers will consider requests for changes to hardware and software. Such requests are to be formally submitted to Presstek for consideration. Submissions will be considered and if worthy of the change an Engineering Change Notice will be listed. Once the change is made it will be Alpha and Beta tested and priced before release.

At a minimum for Presstek to assist, we request that the following form be completed and returned.

Customer Name				
Machine Brand	iCON Controller	AP Number	Urgency	Safety Issue?

1. Describe the problem as you see it:

2. Describe the suggested Engineering Change that is requested.
